BUY A BRICK CAMPAIGN

LEAVE YOUR MARK . . . PERMANENTLY

A hospital room can be a lonely and frightening place for a sick child far away from home. Although medical science can work wonders to heal the body, it cannot provide what a child needs most – the love and support of a family close at hand. Since 1985, Ronald McDonald House Akron has kept families together in times of medical crisis

The “Buy A Brick Campaign” gives you the opportunity to make a significant contribution to our cause and to leave your mark – permanently – for future generations of families to recognize and appreciate. You can purchase a paving brick on which you can inscribe a brief personal message, your name, the names of your loved ones, an organization or company name, or a few words of inspiration for those who will tread this path in the future.

Pavers come 4X8. Each paver will be hand-set in our outdoor recreational area. \$500 purchases a personalized paver and means far more than just a chance to have your name inscribed on a permanent part of our House. It means you’re helping to further the mission of the Ronald McDonald House of Akron to support families whose children are receiving treatment by providing a home-like environment and essential resources and services.

Each year new bricks are added. This is an opportunity to leave a permanent legacy that will be seen and appreciated by thousands of families and friends in the years to come. Please complete the form below, and mail it with your gift today. For more information, call 330-253-5400. Thank you!
