

Mission Statement

The Ronald McDonald House of Akron was founded by families for the purpose of providing a temporary house for those who have loved ones at Akron Children's Hospital.

Akron

Through the generous gifts from our community and friends like you, the Ronald McDonald House of Akron has provided a unique and supportive home-like environment for children and families in need since 1985. Every night we provide 20 families with a private room and bathroom, community living areas, large kitchen area and use of our fully stocked pantry. Each evening we provide a complete dinner for all our families. Our services are provided with the minimal request of a \$10 per night donation however, no one is turned away due to the inability to pay. We are privately funded and supported by a generous community.

Thank you for your support!
