## Vehicle Donation

### Ready to turn over your ride to RMH?

Need a new car but don't know what to do with the old one? Donate your vehicle to RMH. Your donation helps families stay close to the hospital so they can help their children heal.

Through the One Car One Difference® program, proceeds from your donated vehicle can help provide families a home-away-from-home at the Ronald McDonald Houses of Akron and Cleveland.

You may also qualify for a tax deduction for your charitable donation. Simple and secure, it's a win-win for everyone.
